

Job Title:	Outpatient Therapist
Reports to:	Outpatient Coordinator
Type of Employment:	Full Time

The Elizabeth Upjohn Community Healing Center is a non-profit organization in Kalamazoo, Michigan that provides individual and group counseling for those with substance use and mental health disorders. We are seeking a full-time Licensed Social Worker to add to our team.

General Statement of Duties:

Provide treatment services to clients and their families who are manifesting addiction/abuse behaviors and mental health disorders.

Tasks / Responsibilities:

- Perform clinical assessments and evaluations of clients and families referred for services.
- Develop intervention and treatment plans which include an evaluation of family support, client strengths, and level of risks.
- Provide individual and group therapy as needed by clients in settings most conducive to successful treatment.
- Participate in multi-disciplinary teams as required to assess, plan, and review the needs of clients and families.
- Maintain required authorizations, case documentation and record delivered services in an accurate and timely manner as required by regulating entities, accreditation organizations, and management.
- Participate in ongoing staff training and development programs.
- Participate in clinical review of ongoing cases.
- Perform other duties as defined by Clinical Director

Required Qualifications / Competencies:

- Master's Degree in Social Work.
- Must be fully licensed in state of Michigan.
- CAADC or Development Plan required.

Required Job Knowledge and Skills:

- Ability to establish and maintain effective therapeutic and working relationships with clients, other staff, and community/agency representatives.
